|---------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 7:00 AM | BREAKFAST |
| 7:40 AM | WELCOME & INTRODUCTION OF DR. MAYER
INTRODUCTION OF VISITING PROFESSOR
Evalina Burger, MD
Professor and Chair, CU Department of Orthopedics |
| 7:45 AM | JAMES S. MILES LECTURE: The Disabled Throwing Shoulder
Felix Savoie, MD
AAOS First Vice-President
Professor and Chair, Tulane Department of Orthopedics |
| 8:30 AM | INTRODUCTION OF CHIEF RESIDENTS
Stephanie Mayer, MD |
| 8:35 AM | CHIEF RESIDENT PRESENTATION: Analysis of Postoperative Gait, Hip Strength, and Patient Reported Outcomes following Tile B and Tile C Pelvic Ring Fractures
Chase Dean, MD
Mentored by Cyril Mauffrey, MD |
| 8:50 AM | Q&A for Chase Dean presentation |
| 8:55 AM | CHIEF RESIDENT PRESENTATION: Iatrogenic Septic Arthritis Following Arthrocentesis Through Cellulitis
KC Doan, MD
Mentored by Michael Zuscik, PhD |
| 9:10 AM | Q&A for KC Doan presentation |
| 9:15 AM | CHIEF RESIDENT PRESENTATION: Occult Injuries of the Contralateral Pelvic Ring: Prevalence, Root Cause Analysis and Proposal of a Treatment Algorithm
Andrew Maertens, MD
Mentored by Cyril Mauffrey, MD |
| 9:30 AM | Q&A for Andrew Maertens presentation |
| 9:35 AM | BREAK |

- 9:50 AM CHIEF RESIDENT PRESENTATION: Indirect Decompression with Oblique Lateral Interbody Fusion Nearly Eliminates Need for Laminectomy
Alan McGee, MD
Mentored by Vikas Patel, MD
- 10:05 AM **Q&A for Alan McGee presentation**
- 10:10 AM CHIEF RESIDENT PRESENTATION: Adolescents Athletes Return to Sport Rapidly after Posterior Spine Fusion for Idiopathic Scoliosis: A Prospective Study
Tyler Tetreault, MD
Mentored by Sumeet Garg, MD
- 10:25 AM **Q&A for Tyler Tetreault presentation**
- 10:30 AM CHIEF RESIDENT PRESENTATION: Iatrogenic Injury Potential of Elastic Self-Adherent Bandages
Henry Yu, MD
Mentored by Kyros Ipaktchi, MD
- 10:45 AM **Q&A for Henry Yu presentation**
- 10:50 AM AAOS Update
Felix Savoie, MD
AAOS First Vice-President
Professor and Chair, Tulane Department of Orthopedics
- 11:05 AM INTRODUCTION OF FELLOWS
Stephanie Mayer, MD
- 11:10 AM FELLOW PRESENTATION: Total Joint Arthroplasty After Major Organ Transplant – A Retrospective Review from the University of Colorado
Jeffrey Mulvihill, MD – Adult Reconstruction
Program Director Craig Hogan, MD
- 11:20 AM **Q&A for Jeffrey Mulvihill presentation**
- 11:25 AM FELLOW PRESENTATION: Noninvasive Skin Expansion Strips to Decrease Wound Issues after Total Ankle Replacement
Blake Wallace, MD – Foot and Ankle
Program Director Ken Hunt, MD
- 11:35 AM **Q&A for Blake Wallace presentation**
- 11:40 AM FELLOW PRESENTATION: Nerve Injury to the Upper Extremity after a Gunshot Wound: A Systematic Review
Thomas Ergen, MD – Hand
Program Director Frank Scott, MD
- 11:50 AM **Q&A for Thomas Ergen presentation**
- 11:55 AM FELLOW PRESENTATION: Hand Surgical OR Size Allocation: A Comparative OR Space Utilization Study
Damian Illing, MD – Hand

Program Director Frank Scott, MD

- 12:05 PM **Q&A for Damian Illing presentation**
- 12:10 PM LUNCH BREAK
[VIRTUAL POSTER JUDGING](#)
Tyler Cram, DO
Dave Daniels, MD
Renzo Laynes, MD
Lisa Malyak, MD
Kylie Shaw, MD
Brady Williams, MD
Zach Wuthrich, MD
- 12:45 PM FELLOW PRESENTATION: Pediatric Proximal Femur Fracture and Anatomic Variation Around the Hip
Aaron Brandt, MD - Peds
Program Director Mark Erickson, MD
- 12:55 PM **Q&A for Aaron Brandt presentation**
- 1:00 PM FELLOW PRESENTATION: ACL Graft Growth in Pediatric Patients After ACL Reconstruction
Hanna Mendez, MD - Peds
Program Director Mark Erickson, MD
- 1:10 PM **Q&A for Hanna Mendez presentation**
- 1:15 PM FELLOW PRESENTATION: Surgical Outcomes on Patients with Congenital Spinal Anomalies: A Retrospective Study Using EOS imaging
Jose Jimenez, MD - Spine
Program Director CJ Kleck, MD
- 1:25 PM **Q&A for Jose Jimenez presentation**
- 1:30 PM FELLOW PRESENTATION: Thromboembolic Events During the COVID-19 Pandemic after Knee and Shoulder Arthroscopy
Ryan Jahn, MD - Sports
Program Director Eric McCarty, MD
- 1:40 PM **Q&A for Ryan Jahn presentation**
- 1:45 PM FELLOW PRESENTATION: Intermediate Clinical and Radiographic Outcomes of Coracoclavicular Stabilization with an AC Lockdown Device
Adam Lindsay, MD - Sports
Program Director Eric McCarty, MD
- 1:55 PM **Q&A for Adam Lindsay presentation**
- 2:00 PM FELLOW PRESENTATION: Return to Sport and Outcomes Following Shoulder Stabilization in Rock Climbers: a MOON Database Study
Jannah Mann, MD - Sports
Program Director Eric McCarty, MD
- 2:10 PM **Q&A for Jannah Mann presentation**

- 2:15 PM BREAK
- 2:30 PM FELLOW PRESENTATION: Delayed Gadolinium-Enhanced Magnetic Resonance Imaging of Cartilage Value is Related to Arthroscopic Intraoperative Findings, but not Periacetabular Osteotomy Outcomes
Jessica Lee, MD – Hip Preservation
Program Director Omer Mei-Dan, MD
- 2:40 PM **Q&A for Jessica Lee presentation**
- 2:45 PM FELLOW PRESENTATION: “Injury and Patient Characteristics are Poor Indicators of Instability in Minimally Displaced Lateral Compression Type 1 (LC1) Injuries”
Michael Hadeed, MD – Trauma
Program Director Cyril Mauffrey, MD
- 2:55 PM **Q&A for Michael Hadeed presentation**
- 3:00 PM AWARD PRESENTATIONS
Stephanie Mayer, MD
Denver Health Awards
- 3:15 PM CLOSING REMARKS AND ADJOURNMENT
Stephanie Mayer, MD
