

THE CU DEPARTMENT OF PATHOLOGY GRAND ROUNDS

Sponsored by the University of Colorado School of Medicine Office of Continuing Medical Education

John Findley, MD
Hematopathology Fellowship
University of Colorado Anschutz
School of Medicine

"Large B-cell lymphomas with plasmablastic differentiation; beyond DLBCL"

Sarah Reach, MD
Gastrointestinal and Liver Pathology Fellowship
University of Colorado School of Medicine

"WHO 6th Edition Digestive Tumors: Select Updates and Additions"

**Friday ~ October 09, 2026
12:00-1:00 pm**

Hensel Phelps Auditorium West, Room 1006

Dr. Findley Learning Objectives:

1. Provide an adequate differential diagnosis when considering diagnosis of Large B-cell lymphoma
2. Describe the different demographic characteristics for the different Large B-cell Lymphomas, especially primary effusion lymphoma, plasmablastic lymphoma, and ALK+ large B cell lymphoma
3. Identify differentiating morphologic and immunophenotypic features of Large B-cell lymphomas
4. Understand molecular underpinnings of these entities, if applicable

Dr. Reach Learning Objectives:

1. Understand the importance of maintaining an evidenced based, up-to-date resource endorsed by the WHO.
2. Identify new entities included in the 6th edition.
3. Be familiar with the new approach to classification of gastric dysplasia.
4. Incorporate updates to the grading system of colorectal carcinoma into practice.

All of the planners, faculty, or individuals in control of content for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

The University of Colorado School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Colorado School of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. CME certificates are distributed one time per year to learners at the end of the academic year.
