PARKING:

The parking lot available for you to park on the day of your research visit is the **Julesburg Lot** which is **outlined in blue** on the map to the right.

The study will pay for your parking (by using the code in your appointment letter) in the **Julesburg lot only**.

Using the parking code on your appointment letter, you can pay for your parking at the kiosk located in the Julesburg Lot. The lot uses the Pay By License Plate method. You will need to **know your license plate number** when you purchase parking. You don't need to display a receipt on your dash. There can be long lines at the kiosk to pay, so please plan enough time to find your parking space and pay at the kiosk.

*If the code in your appointment letter does not work, please remain parked in the Julesburg Lot (not any other lot) and give us your parking citation for that day so that we can have it reversed in a timely manner.
