

Application for Fellowship Training Pediatric Clinical Obesity and Nutrition Fellowship

University of Colorado School of Medicine
Department of Pediatrics — Section of Nutrition
University of Colorado Anschutz Medical Campus
Children's Hospital Colorado
13123 East 16th Avenue, Mail Stop B065
Aurora, CO 80045

Dear Applicant,

Thank you for your interest in the Pediatric Clinical Obesity and Nutrition Fellowship. The University of Colorado School of Medicine, Department of Pediatrics — in partnership with Children's Hospital Colorado — offers a one-year fellowship designed to provide comprehensive interdisciplinary training in pediatric obesity and clinical nutrition. We recruit one fellow per academic year, with the fellowship typically beginning in July.

For general inquiries or application-related questions, please contact:
ClinicalNutrition@CUAnschutz.edu.

Sincerely,

Matthew A. Haemer, MD, MPH
Fellowship Program Director

Stephanie P. Gilley, MD, PhD
Associate Fellowship Program Director

-

Statement of Applicant

By signing below, I certify that the information and materials submitted with this application are true, accurate, and complete to the best of my knowledge. I understand that any omission or misrepresentation may result in disqualification from consideration or withdrawal of an offer.

I agree to promptly notify the program of any material changes to my status and to provide additional or updated information upon request.

Name:

Signature: _____

Date: _____

2. Curriculum Vitae (CV)

Please submit a current CV that includes the following sections. An ERAS application from the current application cycle may be submitted in lieu of a CV.

Required CV Sections

a. Education and Training (including residency)

- Complete summary of all educational qualifications, including dates and institutions
- Internship, residency, and fellowship training (dates and institutions)
- USMLE, COMLEX, and/or ECFMG details
- Board certification(s), including dates and certificate numbers
- State medical license(s), if applicable

b. Additional Training and Certifications

- Assistantships, internships, practicums, or other relevant clinical training
- If you completed a family medicine residency training program, include a detailed summary of your pediatric clinical experiences

c. Employment History

d. Research, Scholarly, and/or Volunteer Activities

e. Abstract and Publications

f. Awards and Honors

g. Professional Organization Memberships

h. Professional References

- Provide the names and complete contact information (name, academic title, mailing address, email, and phone number) for three individuals who will provide letters of recommendation. See details below.

3. Personal Statement

Please submit a 1-2 page personal statement addressing:

- Your interest in clinical nutrition and how it aligns with your career goals
- How this fellowship will support your professional development
- A summary of your clinical, research, and/or scholarly activities related to nutrition
- How this fellowship will prepare you for a future career in clinical practice, research, or academic medicine

4. Letters of Recommendation

- One letter must be from your residency or fellowship program director (unless training was completed more than five years ago).
- At least two letters must address your clinical competence in pediatrics.
- Letters must be sent directly by the author to: ClinicalNutrition@CUAnschutz.edu
