

David DiGregorio, Ph.D.

Brief CV

Education & Training

2012 **Habilitation (HDR)**, Université Paris Descartes, France
1995-2000 **Ph.D.**, Dr. Julio Vergara, Department of Physiology, UCLA School of Medicine
1993-1995 **Medical student**, UCLA School of Medicine, Los Angeles, California, USA
1988-1992 **Bachelor of Science (Honors)**, Department of Biology, Stanford University

Positions

Since 2023 **Professor and Chair**, Department of Physiology and Biophysics, University of Colorado, Anschutz medical campus

Since 2019 **Director of Research (DR-1)**, CNRS, Genes, synapses, cognition, UMR 3571
Since 2019 **Director: “Unit of synapse and circuit dynamics,”** Institut Pasteur (renewed for 10 yrs)
2013-2019 **Director of Research (DR-2)**, CNRS, Genes, synapses, cognition, UMR 3571
2005-2013 **Permanent Researcher (CR-1)**, CNRS
2009-2019 **Director: “Unit of dynamic neuronal imaging”** at Institut Pasteur
Since 2011 **Director:** Department of Neuroscience “Shared two-photon imaging facility”

Current Responsibilities

- **Director** of the “Department of Neuroscience Two-photon imaging facility” (since 2011)
- **Steering committee member** Paris Region grant to advance Neuroscience: C-BRAINS (since 2022)
- **Organizer** for C-BRANS Neuro-AI axis (since 2022)

Past Responsibilities

- **Director** of the Department of Neuroscience (2018-2022)
- **Director** of the Brain Connectivity and Neurodegenerative Disorders research axis (2019-2022)
- **Host Organizing Committee** for FENS Forum 2022
- **Executive committee member** (secretary) for the French Cerebellum Club (2017-2020)
- **Executive committee member**, Campus-wide Quantitative Biology Network, Pasteur Institute (qBIO; since 2017)
- **Director/founder** of Masters/PhD course at Pasteur, “Principles of fluorescence microscopy” (2016, 2017, 2018)
- **Steering committee member** for a Parisian research funding mechanism (Labex): “BioPsy” (since 2017)
- **Admissions committee member** for an international PhD program: Ecole de Neurosciences de Paris (PhD program; 2013-2016)
- **Board and Steering committee member** for the Paris network: “DIM: Cerveau et Pensée” (2011-2016)
- **Advisory committee for the Scientific Director member** of Pasteur Institute (since 2016)
- **Faculty search committee member** for Neuroscience Department (since 2013; 3 faculty recruited)
- **Executive committee member** of "European Network of Neuroscience Institutes (ENI-NET)" (since 2007)
- **On-site organizer** of the Stanford- Pasteur Institute internship program (since 2018-2021)
