

## **Concept Proposal Submission**

Please submit the following information in a Word document via e-mail to the Teen-LABS Publications and Presentations Committee (PPC) Central Coordinators at [jennifer.2.black@cuanschutz.edu](mailto:jennifer.2.black@cuanschutz.edu) and [rosemary.miller@cuanschutz.edu](mailto:rosemary.miller@cuanschutz.edu). Information must be received at least 10 working days prior to review at a regularly scheduled PPC meeting. This is intended for use for all proposed publications (e.g., journal manuscripts, magazine/newspaper articles) that use Teen-LABS data, specimens, or other resources. *E-mail addresses must be included for everyone listed on this submission.*

**Submission Date (mm/dd/yy):**

**Working Title:**

**Individual Submitting Proposal:**

**Recommended Writing Group Chair (if different from submitter):**

**Possible Collaborators/Co-authors:**

**Brief Description (topic background/hypothesis/purpose):**

**Analysis**

**Overall Strategy:**

**Teen-LABS data points to be used:**

**Teen-LABS subjects to be included:**

**Keywords (list up to 5):**

**Possible journals:**

**Possible meetings (if available, indicate abstract submission deadline):**

**Please include the following information (limit 5 pages):**

1. **Lay Language Summary** (1 paragraph overview including impact on the field)
2. **Background** (a brief introduction providing rationale and including references)
3. **Specific Aims and Hypotheses** (list the objectives and goals to be addressed)
4. **Study Design and Methods** (type the study, inclusion criteria, laboratory methods, potential difficulties and limitations)
5. **Data Analysis Plan and Sample Size Computation** (indicate which variables are required from Teen-LABS database, how the data will be analyzed, and the expected statistical power to test study hypothesis. Please attach mock-up tables.)
