Rocky Mountain Highlights in Gastroenterology and Hepatology Saturday, September 18, 2021

COURSE LEARNING OBJECTIVES

At the conclusion of this activity, the participants should be able to:

- ❖ Understand best practices in evaluation and management of fatty liver disease.
- ❖ Assess patients with obesity in the outpatient settings and offer evidence-based treatment approaches including knowledge of when to refer patients for endoscopic treatment and understand the role of endoscopic treatment in obesity.
- ❖ Understand approach to evaluation and management of pancreatic cystic lesions.
- ❖ Identify the role of endoscopic treatment for patients with large colorectal polyps.
- ❖ Understand updates in the evaluation and management of eosinophilic esophagitis and inflammatory bowel disease.
- ❖ Implement the new recommendations and guidelines for colorectal cancer screening and surveillance.

ACCREDITATION

The University of Colorado School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Colorado School of Medicine designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.5 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

To earn board credit, the attendee must participate in the CME activity including the evaluation component. By accepting the invitation to this event and requesting board credit, I understand that my learner completion data will be shared with the ACCME and the applicable certifying board(s).

The University of Colorado College of Nursing is an approved provider of continuing nursing professional development by the Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This educational program for a total of 6.0 contact hours is provided by the University of Colorado College of Nursing Office of Continuing Education.
