

Self-Guided

Tour

Welcome to the Anschutz Medical Campus!

Prospective students are encouraged to explore campus to get a sense of what it is like to be a CU Doctor of Physical Therapy (DPT) student. Note that CU Anschutz Medical Campus buildings are not open to the public. This Self-Guided Tour outlines the buildings on campus that DPT students frequently visit, so that guests can still get a feel for campus walking outside.

Visitor Parking Lots (\$1.00 per hour): Kiowa (4-hour maximum), Julesburg, or Georgetown
