

# Self-Guided

# Tour

## Welcome to the Anschutz Medical Campus!

Prospective students are encouraged to explore campus to get a sense of what it is like to be a CU Doctor of Physical Therapy (DPT) student. Due to current COVID-19 restrictions, the CU Anschutz Medical Campus buildings are not open to the public. The Self-Guided Tour outlines the buildings on campus that DPT students frequently visit, so that guests can still get a feel for campus walking outside.

**Visitor Parking Lots (\$1.00/hour):** Kiowa Lot (4-hour limit), Julesburg Lot, or Georgetown Lot
