What's it like to be a part of the **FYZICAL®** team? Game Changing! The opportunities are boundless!

We are seeking individuals who want to come to work every day excited about the challenge of pushing themselves and their clients beyond expectations, beyond 'good enough'. We're a high energy team. We treat clients with dignity and empathy, and we work hard to improve lives through physical therapy. You will feel right at home at **FYZICAL**, where our state-of-the-art facilities feature advanced cardiovascular, stabilization and strength stimulating technology to provide the greatest impact for accelerated recovery and relief from pain.

Our people are our greatest asset – we hire individuals who are professional and enthusiastically embrace advances in research, technology, science and health care. In exchange, our teams enjoy a superb working environment, as well as unique and exciting possibilities for personal and professional growth. If you want to be the best at what you do and be rewarded for it, you have found the right place!

We are currently seeking a **full-time** licensed **PHYSICAL THERAPIST** to join our team at our **Elizabeth-Colorado Springs area, CO** location.

RESPONSIBILITIES INCLUDE BUT ARE NOT LIMITED TO:

- Assessing and interpreting patient evaluations and test results.
- Developing treatment plans using a variety of treatment techniques.
- Creating personalized fitness-orientated health care programs for patients
- Providing educational information about injury prevention, ergonomics and ways to promote physical health.
- Documenting patient care history.
- Complying with rules, regulations and procedures.

QUALIFICATIONS:

- Current State license
- Compliant with State regulatory requirements.
- Bachelor's Degree from an accredited educational institution

FYZICAL, the fastest growing physical therapy company in America, is setting a new benchmark for the highest level of care. With locations across the country, our market is exploding with opportunities. From cutting edge sports medicine and orthopedics, to vestibular and balance retraining, we are the company to accelerate your professional growth. State of the art equipment includes world class ceiling mounted railing system, infrared video goggles, and proprietary wellness exam technology. Our rapid growth is continually creating leadership opportunities.

Be a part of changing people's lives for the better. It's time to be excited about your future!

Please contact Marc Phillips at 719-232-8079 or marc.phillips@fyzical.com if interested.
