

Physical Therapist

1425 Main St, Follansbee, WV 26037, USA

Full-time

Company Description

At Summit Physical Therapy, we take pride in delivering one-on-one attention and personal care in a positive and supportive atmosphere, efficiently and effectively. Since 1993, we have delivered thousands of healing treatments to northern West Virginia residents and now offer the same to those living in Southwestern Pennsylvania.

Summit Physical Therapy is a team of licensed physical therapists who use a unique combination of positive motivation, personal attention, and hands-on techniques to help thousands achieve healthier, more active lives. And behind the scenes, we have a highly trained staff of physical therapy assistants and professionals who keep our patients focused on recovery and our business running smoothly.

We've been voted #1 in the Ohio Valley since 1993 by the readers of Weirton Daily Times and Herald Star. Join our winning team by applying online today!

Job Description

We are seeking a passionate and dedicated Physical Therapist to join our team. The ideal candidate will have a strong passion for orthopedics and a thirst for continued knowledge and growth.

- Assess patients to develop and initiate treatment plans based on the evaluation results
- Provide direct patient care by established protocols and patient care guidelines
- Document findings, progress, and instructions to patients and caregivers
- Responsible for patient care performed by assistants and rehabilitation technicians
- Complete a written plan of care, develop goals based on evaluation findings, and develop a comprehensive program to attain goals
- Implement physical therapy treatment program and provide essential physical therapy treatments
- Communicate effectively with patients/caregivers and professional colleagues, including physicians and insurance companies

Qualifications

- Graduate from a CAPTE-accredited Physical Therapy program
- Current state of WV license, CPR certification
- Outgoing and energetic personality
- New graduates are welcome!
