## Therapy & Balance Centers

### Join a Team That's Redefining Patient-Centered Care

At FYZICAL City Center Aurora, we're more than a physical therapy clinic—we're a community that values excellence, compassion, and connection. We're seeking a Physical Therapist who is eager to grow personally and professionally while making a meaningful difference in the lives of patients across North Aurora and beyond.

### Why FYZICAL City Center Aurora?

We believe in treating people, not just symptoms. Our therapists enjoy a supportive and collaborative environment with the freedom to practice the way they were trained—one-on-one with every patient. You'll have access to cutting-edge vestibular and balance technology, continuing education opportunities, and an approach that prioritizes work-life balance and professional autonomy.

We're small enough that **your voice matters**, yet established enough to offer stability, mentorship, and room for growth. Here, you're not just an employee—you're a partner in building something exceptional.

### What We Offer

- Base Salary: \$80,000–\$90,000 annually (commensurate with experience)
- Performance & Productivity Bonuses
- 3 Weeks Paid Time Off (PTO)
- Flexible Schedule Options, including potential 3-day weekends
- AI-Assisted Documentation (Prediction Health/Sidekick) = *less paperwork, more patient time*
- \$400 Monthly Stipend for health insurance or childcare expenses
- Future Profit-Sharing Opportunities
- Annual CEU Allowance and paid training in vestibular and balance therapy
- Sign-On / Retention Bonus available
- Supportive, family-like team culture that values your ideas and individuality

# FYZICAL®

## Therapy & Balance Centers

### Your Impact

- Perform comprehensive evaluations and design individualized treatment plans
- Provide evidence-based interventions and track measurable outcomes
- Educate and empower patients to continue care independently
- Collaborate closely with PT, OT, and administrative team members
- Deliver compassionate, one-on-one care with a focus on vestibular, balance, and fall-prevention programs
- Bring creativity and curiosity to the practice—help shape how we grow and serve our community

### What You Bring

- Graduate of an accredited Physical Therapy program
- Active Colorado PT license (or soon to apply)
- Certification (or interest) in dry needling
- Passion for treating patients with vestibular, balance, neurological, and fall risk conditions
- Independent and collaborative work ethic
- Spanish fluency a strong plus, but not required

### Ready to Love Where You Work?

If you want to be **amazing at what you do**, work in an environment that **values your expertise and wellbeing**, and make a **lasting impact** on your community—FYZICAL City Center Aurora is the place for you.

👉 [Apply today](#) to join a team that's changing lives, one patient at a time.

## Therapy & Balance Centers

### About FYZICAL City Center Aurora

FYZICAL City Center Aurora is part of a leading national network of independent physical therapy and balance centers, dedicated to helping people love their lives through better movement and function. Our Aurora clinic serves a diverse community with expertise in **vestibular rehabilitation, balance therapy, orthopedic and neurological rehab, pediatric therapy, lymphedema management, and pelvic health services.**

We are locally owned and operated, which means your ideas, voice, and contributions make a real impact. Our mission is simple: to provide **compassionate, evidence-based care** while fostering a culture where both patients and clinicians can thrive.

At FYZICAL City Center Aurora, we believe in **connection, excellence, and empowerment**—for our patients, our team, and our community.
