

Craft Health

About Us:

Craft Health is a family owned, community focused, growing home health agency based in Boulder. Our team is committed to providing the highest level of personalized care and services specifically tailored to the needs of our patients and participants.

Our Opportunity:

Full-time role with healthcare benefits and flexible vacation leave! All documentation completed electronically! Supportive office staff!

We are looking to add a full-time licensed Physical Therapist (PT) to our team to treat adult and pediatric patients within their home in Boulder County and the surrounding areas. You will be partnering with the primary care physician to create a care plan that reflects the patient's needs and physician's goals for recovery.

Prior pediatric experience and/or comfort working with pediatric patients preferred. Will train the right candidate.

Responsibilities include:

- Performs comprehensive initial and on-going physical therapy services for each assigned agency patient and develops the plan of care in collaboration with patient, RN/Case Manager, and physician.
- Regularly evaluates and documents the effectiveness of each assigned patient's plan of care, patient responses, revision needs, discharge plans, and progress to patient goals.

- Based on patient needs, seeks physician orders for equipment to promote patient comfort and safety, and when ordered and received by patient, initiates equipment use training.
- Evaluates the safety of the home environment and recommends to patient/representative potential solutions for identified concerns.
- Establishes therapy goals to enhance the rehabilitative ability of the patient, which may include but not be limited to: hot packs, gait training, diathermy treatments, therapeutic exercises, passive and active range of motion exercises, whirlpool baths and other related treatments to meet the agency patient's needs.
- Meets productivity requirements established for home health care physical therapist.
- Supervises assigned PTAs.

Pay: \$85,000 - \$115,000/year (dependent upon experience)

Benefits associated with this role include:

- Health/dental/vision/life insurance benefits
- Vacation & paid sick leave
- Mileage reimbursement (patient to patient)
- Retirement plan (after 1 year of continuous service)
- Employee assistance program
- Opportunity to make a difference in the community
