

## **Pelvic Health and Orthopedic Physical Therapists**

### **Full-time or Part-time**

### **Open Positions: 2 Full-time or 3-4 Part-time**

### **Location: Boulder & Lafayette, CO | Either office or split time between both**

Anewu Physical Therapy (“A New You”) is a fast-growing premium physical therapy clinic with 2 beautiful offices in Colorado's Front Range! We specialize in pelvic floor, trigger point dry needling, and orthopedics, and we are looking for great PTs to join our team! As a cash pay clinic, our 55-minute appointments provide the time and space to make a lasting difference for your patients and avoid burnout from treating too many people each week!

We are seeking full-time and part-time PTs to provide exceptional patient care. Our therapists are highly respected, enjoy competitive pay with a base + bonus structure, great benefits, flexibility and work/life balance, paid vacation, and opportunities to grow with the company. On top of that, you'll be joining a great group of doctors who love what they do!

### **As a Physical Therapist, you will:**

- Consult with patients to learn about their physical condition and symptoms and review their medical history and referrals from doctors or surgeons.
- Provide exceptional patient care using a variety of techniques focused on outcomes.
- Develop individualized treatment plans.
- Complete notes and charts about patient visits
- Develop recurring patient relationships.
- Complete your daily billing, correspond via email and phone with staff and patients, and collaborate with other internal and external providers.
- Monitor your schedule and assist with will filling open slots.
- Develop and maintain a network of service providers that know you and refer patients to you.
- Represent the Company's brand as a premier, high-quality clinic where other PTs want to work and patients love.
- Participate in company culture and team activities, bringing a strong sense of collaboration and teamwork to the Doctor group.

### **Additional Opportunities**

Beyond treating patients, you will be invited to participate in additional business development activities from time to time, such as:

- Attending public and private events to build awareness of the Company's services.
- Recruiting, hiring, and training staff.
- Marketing the clinic(s) in person or online through various means and methods.
- Assist with developing new markets and doctor referral networks.
- Improving the company's website, brand assets, online presence, social media, etc.
- Assisting with certain administrative processes.
- Developing feeder programs and educational pathways for new graduates to learn from and work for the Company.

**Available benefits include:**

- Health insurance
- Dental insurance
- Vision insurance
- Continuing education allowance
- Health savings account
- 401(k)
- 401(k) matching
- Opportunities for advancement
- Paid time off (3 weeks for Full-Time Employees)

**Minimum Requirements**

- Master's Degree or higher in Physical Therapy required
- Active license to practice Physical Therapy
- Strong communication skills and bedside manner
- Strong orthopedics experience preferred
- Dry needling experience preferred
- Interest or experience with Pelvic Floor preferred

If you are new to the field, we want to hear from you! Mentorship and training will be provided by the clinic's highly skilled practitioners and through a continuing education allowance.

Relocation assistance is available for candidates relocating to Colorado.
