

Pediatric Physical Therapist (PT) – Early Intervention | \$75–\$85/Visit | Immediate Hiring

Immediate Hiring | Part-Time & Full-Time Contract | Pediatric Care

Now Hiring: Adams, Arapahoe, Clear Creek, Denver/Boulder Metro Area, Gilpin, Jefferson, Laramie, Pueblo & Summit Counties

Therapy Inc. is a therapist-owned pediatric practice seeking licensed Physical Therapists (PTs) to provide pediatric therapy services throughout Colorado as independent contractors.

Compensation & Benefits

- **\$75–\$85 per visit to start**, commensurate with experience, education, training, and certifications
- Up to **\$500/year reimbursement toward continuing education**
- Flexible scheduling—you create your own caseload
- Immediate referral opportunities
- Part-time and full-time contractor opportunities
- Supportive therapist-led team
- Home-based, school-based, and community therapy settings
- Professional growth and development opportunities

Job Responsibilities

- Conduct comprehensive physical assessments of children to identify developmental, motor, and physical impairments, and establish treatment goals
- Develop and implement individualized therapy plans focused on improving physical function, strength, balance, coordination, mobility, and gross motor skills
- Provide one-on-one physical therapy interventions, including therapeutic exercises, functional movement training, and mobility support to enhance independence in daily activities
- Collaborate with families to educate them on therapeutic goals, provide home exercises and strategies to reinforce therapy, and support them in managing the child's care
- Track and document client progress, update treatment plans as needed, and communicate regularly with families, caregivers, and other healthcare professionals
- Work as part of a multidisciplinary team to ensure coordinated, holistic care for children, involving educators, OTs, speech therapists, and other healthcare providers
- Advocate for children's physical health and mobility needs, ensuring access to appropriate support and resources within home, school, and community settings

Qualifications

Required:

- Valid Colorado Physical Therapist (PT) license, APTA certification, and CEU
- Graduate of an accredited Physical Therapy curriculum/school
- Valid state driver's license and reliable automobile
- Proof of current automobile insurance (MVR checked)
- Criminal background check clearance
- State license (DORA), professional liability, and HIPAA required
- Meet education and training requirements with contracted Early Intervention Agencies and Medicaid including NPI, Universal Training; EI/ GO4IT, SSN, and W9

Preferred:

- Previous experience in pediatric physical therapy
- New graduates with pediatric training are encouraged to apply
- Strong clinical reasoning, excellent communication, and interpersonal skills
- Passion for working with children and families to improve physical function and independence
