

MOORE myoworx

Concussions, Chronic & Complex Conditions

Moore Myoworx is currently hiring life-changing physical therapists.

Serving patients for over 30 years, Moore MyoWorx is an internationally acclaimed advanced neuromuscular therapy program providing treatment solutions for concussions, chronic symptoms, and complex conditions.

Developed by Terry Moore (Neuromuscular & Cardiovascular Physiologist), Moore MyoWorx treatment is a comprehensive approach that focuses on healing the underlying injury to muscles and tissues in order to reduce and eliminate patient symptoms. Since 1989, Moore MyoWorx has been delivering leading edge, innovative and quality health and wellness care that empowers, educates and equips patients with the knowledge and tools to achieve successful outcomes. With our inaugural launch into the US, Moore MyoWorx is attracting and cultivating team members who embody our mission, vision, and values.

Position Description and Responsibilities

- **Assessment:** The Physical Therapist will provide regular reassessments and generate written reports as required. The Physical Therapist will communicate with the Clinic Director, other team members and other key stakeholders and healthcare providers as dictated by patient needs.
- **Treatment Plan Oversight:** The Physical Therapist will work with other providers and support personnel to design, execute and monitor treatment plans. This may include working with PTAs, Exercise Therapists, and/or, Clinic Assistants in support roles.
- **Participate in and Support Promotional Initiatives:** The Physical Therapist will join the Clinic Director and the Moore MyoWorx team engaging in community support and marketing initiatives for the general promotion of Moore MyoWorx and to educate the public about the opportunity we can provide them in restoring their hope for pain-free, functional lives.

Candidate Qualifications

Ideal candidates will be/have:

- Graduate of accredited physical therapy program
- Licensed to practice Physical Therapy in the State of Colorado
- Passionate about patient outcomes and satisfaction.
- Able to work with support personnel and other providers in a team approach.
- Driven, excited, and fulfilled by empowering patients to take back control of their lives.
