Clinical Director/Physical Therapist

OFFERING SIGN ON BONUS/TUITION REIMBURSEMENT

Rocky Mountain Physical Therapy is looking for a highly skilled and dynamic therapist to join our growing team. This therapist preferably has a strong manual therapy background but new grads are welcome to apply. We have 10 Therapy locations across the Northern Colorado area and we are looking for an outpatient therapist/clinical director in the Greeley clinic. This position is full-time and will be filled by a strong manual based therapist or who wants to grow into a manual therapist with guidance and learning.

Rocky Mountain has been recognized as the top therapy company in Northern Colorado in 2018, 2019 and 2020 and we have a fun and exciting team of therapists that enjoy coming to work and being part of a growing company that offers good benefits as well as a great work environment that focuses on achievement and rewards to uplift our team and continue to move toward growth in a positive way.

Requirements:

- Excellent interpersonal and communication skills and be independent and self-motivated.
- Team oriented.
- A Colorado Licensed Physical Therapist
- At least two years of experience preferred
- Dynamic new grads are encouraged to apply
- Manual based therapist is a plus

Job description:

- Adhere to professional, ethical and legal standards of practice.
- Provide direct supervision for physical therapist assistants, physical therapy aides and students.
- Perform comprehensive physical therapy evaluation with clear plan of care and appropriate goals designed in conjunction with patient.
- Ability to perform treatments to maintain, improve or restore function, alleviate pain and prevent physical dysfunction in patients.
- Clear communication to supportive staff members involved with patient care about plan of care, patient goals, patient progress, etc.
- Perform all documentation in a timely manner at day of service.
- Participate in clinical/community/MD marketing.
- Participate in community RMPT events.
- Seek regular opportunities for professional growth and clinical growth through in-house training, continuing education, conferences and other professional associations.

Job Type: Full-time

Pay: From $70,000.00 per year
