Passionate about… Physical Therapy

Select Physical Therapy is a nationally prominent and locally driven provider of outpatient physical rehabilitation with more than 1,700 centers in 37 states and D.C. We offer a wide range of core and specialty programs that focus on prevention and rehabilitation. The universal goal that unites our team is to enhance the quality of our patients’ lives by providing clinical and service excellence in all that we do while creating exceptional experiences for our patients and colleagues.

As the current Select Colorado outpatient therapy team, we hope you are interested in joining this new venture!

Select Physical Therapy offers:
• Continuing Education Programs
