

# PHYSICAL & INJURY SPECIALISTS

PTIS

*Staying Active for WORK. SPORT. LIFE.*

Physical Therapy & Injury Specialists (PTIS) is a busy, privately owned outpatient orthopedic practice with 2 locations serving south metro Denver for over 30 years. We are looking for a full-time physical therapist to join our team. The ideal candidate is enthusiastic, great at communication, loves learning, and enjoys one-on-one patient care with an emphasis on manual therapy and exercise for treating a range of orthopedic patients. At PTIS we are dedicated to the pursuit of excellence and are looking for someone who shares that goal.

- PTIS has a small clinic feel, with a cohesive, collaborative, easy going, fun collegial team.
- We offer a comprehensive benefits package that includes major medical, dental, vision, as well as a competitive continuing education package and paid time off
- Full time 40 hour position working at both of our offices in south Metro Denver
- Salary: \$60,000 to \$70,000 per year
- Strong manual therapy skills and trigger point dry needling experience desired however new grads are encouraged to apply as well
- Mentorship opportunities with varying degrees of formal and in-house training are available
  - We have opportunities for post-graduate physical therapy education and can offer on-site manual therapy training including manual therapy fellowship training, advanced manual therapy certification programs and individual specialty courses

Physical Therapy & Injury Specialists (PTIS) has proudly been caring for the metro Denver community since 1990. Our unified approach to physical therapy and wellness means that we treat specific physical issues while never losing sight of the overall goal of ensuring that each patient can live life without physical limitations or pain. We strive to keep our patients staying active for WORK. SPORT. LIFE.

We are a local company owned and directed by physical therapists. As a result of the knowledge, experience and expertise of our physical therapists, many have been recognized as leaders in their field and have been invited to lecture and teach at hospitals, businesses and universities across the country and internationally.
