REHABILITATION INSTITUTE

Full Time Physical Therapist Position

Does working one-on-one with patients appeal to you? Are you looking for a work environment that is collaborative and prioritizes patient care? Are you passionate about learning and using state of the art technology so that you can be an exceptional PT and deliver the best care possible for your patients? **If you answered yes to any of these questions, then you will love Berkana!**

Berkana Rehabilitation Institute is an **independent physical therapy outpatient** clinic located in Fort Collins, Colorado and we are looking for a **Physical Therapist** to join our team. As a team member you will not only have an opportunity to provide care to your patients using a patient-centric care model that is unique to each patient's needs, but you will experience the high-level of commitment our organization places on providing exceptional, evidence-based care our patients have come to expect from us. This includes providing an environment for our therapists to operate at the top of their license while carrying a manageable case load so they can remain focused on our patients and avoid burn-out.

Although we are small, we offer a mighty benefits package that continues to grow as we grow.

Financial Benefits

- Competitive compensation package that gives you financial security and helps you live your best life.
- Loan repayment assistance so student debt no longer keeps you from enjoying your dream life.

Health and Wellness Benefits

- Medical insurance.
- Vision and dental insurance.
- Malpractice insurance.
- Vacation, holiday and sick pay.
- Fun team building events throughout the year to help our staff recharge their batteries and connect.

Growth and Learning Opportunities

- Elevate your clinical skills with one-on-one mentorship program with a PhD, PT and other board-certified staff.
- New graduate mentorship program.
- Unlimited continuing education opportunities, both in-house and externally.
- Leadership development program.
- Mentorship programs in using technology, such as diagnostic ultrasound, metabolic testing and force plates, to enhance your practice.
- Paid Specialty Board certification in orthopedics, sports, diagnostic ultrasound, electrodiagnostics, women's health, vestibular or other relevant area.
- Participation in program development in your desired clinical interest/expertise.
- Opportunities to teach and conduct research.
- Participating in a national outcomes database that allows continuing education to be tailored to your needs.
- Paid APTA dues.

As an organization we believe that diversity along with an inclusive and respectful environment is necessary for our therapists to perform at their best. This combined with providing a high level of support for our therapists to grow and learn ensures our patients will continue to experience the Berkana difference.

We are looking for outgoing, team-oriented therapists that are committed to the profession, love being part of something bigger than themselves, align with our company values and are passionate about finding mastery in all that they do. We are looking for therapists that will not only thrive in our special environment but will help us build upon our company's legacy. If this position excites you, let's talk. Please email nquick@berkanarehab.com and put "Growth" in the subject line so we can connect, and you can learn more about this amazing opportunity.
