

MODERN MOVEMENT CLINIC

Part-Time Physical Therapist / Chiropractor

From Pain to Performance

Location: Lakewood/Golden, Colorado | **Position Type:** Part-Time (10 hrs/week)

About Modern Movement Clinic

Modern Movement Clinic is a cash-based physical therapy and chiropractic practice serving active adults, runners, and athletes in the Lakewood/Golden area. We specialize in biomechanics and sports rehabilitation with a "pain to performance" philosophy—helping people modify their training and return to what they love, not just manage symptoms.

The Opportunity

We're looking to bring on our **first associate**—a physical therapist or functional movement-minded chiropractor who's hungry and coachable. This is a **10 hours/week** position perfect for someone wanting:

- Part-time clinical work with work-life balance
- Freedom from insurance productivity quotas
- Clinical autonomy in a cash-based model
- Mentorship in biomechanics and sports rehab
- The opportunity to help build something from the ground up

What Makes This Role Unique

I'm being honest: You're my first hire. If we really mesh well, you're gaining business experience alongside clinical growth. I want you to be strong in ortho but even stronger in connecting with a human being. You'll find out a lot about yourself and how to be a better person and clinician here.

Our approach: Biomechanics-focused, cash-based practice. You'll actually have time to listen and work with people instead of hitting productivity quotas. If you've been wondering why you became a clinician while seeing 3 patients per hour, this is your reset.

Our patients: Active adults, runners, endurance athletes, field sport athletes (baseball, soccer, lacrosse), and anyone who refuses to accept "just rest" as an answer. We love and welcome everyone as they are.

Who We're Looking For

Ideal candidates are passionate about:

- Running and endurance athletes (bonus: bike knowledge)
- Field athletics (bonus: baseball, soccer, lacrosse specialization)
- Women's health and sports performance

You're a great fit if you:

- Are licensed PT or DC in Colorado (or eligible for licensure)
- Have strong ortho/sports rehab foundation
- Want part-time work (new grad, parent, side income, semi-retired all welcome)
- Value building bonds with patients
- Are comfortable with clinical autonomy
- Want to be yourself and see if our qualities mesh well
