

Company Name: **Western Slope Rehab and Performance**
Location: **2482 Patterson Rd #100, Grand Junction, CO 81505**

Do you dream of working at a practice that is constantly growing to help you better meet the needs of your patients?

About Us: Your Future Starts Here

Imagine a place where your dedication to healing truly makes a difference, where you're empowered to give patients the best care possible. At Western Slope Rehab and Performance, we're not just a clinic; we're a **mission-driven team** led by a physical therapist who genuinely understands your needs. Forget the frustrating layers of management and slow decision-making—here, **direct communication means constant improvement and innovation**. We are deeply committed to **investing in your success and the future of patient care**, equipping you with the **latest technology** like blood flow restriction, surface EMG, and force plates.

This isn't just a job; it's a chance to **achieve your dream outcome**: working in an environment that fuels your growth, rewards your hard work, and allows you to make a profound impact. We believe in building a future where you can **thrive both personally and professionally**, continually learning and leading with cutting-edge tools.

The Position: Full-Time Physical Therapist

We're looking for a **passionate full-time Physical Therapist** to join our growing team. You'll be working 36-40 hours per week, providing **one-on-one, 45-minute treatments**. Our diverse patient base includes high school, college, and recreational athletes; post-surgical patients; doctor-referred orthopedic injuries; and worker's compensation and motor vehicle accident patients. You'll have the flexibility to choose between a 4- or 5-day work week.

Details of the Position

What You'll Do:

- **Assess and manage** patients' physical conditions, creating personalized treatment plans.
- **Utilize cutting-edge technologies** like blood flow restriction, surface EMG, and dual force plate assessment to deliver top-tier care.
- **Apply various modalities and techniques**, including IASTM, dry needling, and PENS.
- **Provide online home exercise programs** to patients using PT Wired (license provided).
- **Engage in weekly team meetings** to discuss treatment plans and refine strategies.
- **Maintain accurate and up-to-date patient records** using Prompt EMR.
- Perform **occasional marketing tasks** to local doctors and lawyers.

What You'll Find Here: Support, Growth, and a Fulfilling Future

Your dedication will be genuinely rewarded. The pay for this role ranges from **\$43.00 - \$55.00/hour**, largely based on your performance. We want you to love your job, which is why we've created a comprehensive benefits package designed with your well-being in mind:

- **Mentorship:** Regular meetings with experienced staff to sharpen your skills and treatment strategies.
- **Growth Opportunities:** Clear pathways for leadership and clinic directorship as we expand.
- **Time to Recharge:** Paid monthly team meetings and generous paid time off to ensure a healthy work-life balance.
- **Relocation Help:** Assistance if you're considering moving to our beautiful Colorado Western Slope.
- **Yearly Continuing Education Stipend:** We invest in your ongoing learning.
- **ICHRA:** To cover your health expenses.
- **SIMPLE IRA Retirement Plan:** For your financial future.

What You'll Bring:

- A valid **Physical Therapy license in Colorado** (required).
 - A **focus on sports and orthopedic physical therapy**.
 - **Strong knowledge** of human anatomy and physiology.
 - **Proven success** working with athletes and high-performing individuals.
 - **Experience teaching weightlifting technique** and other athletic movements.
 - **Familiarity with documentation practices** to meet Medicare requirements.
 - **Dry needling certification** (preferred).
 - **Connections with local sports groups** (preferred).
