

**Best Life**  
Physical Therapy

PEDIATRIC  
PHYSICAL  
THERAPIST

## Job Opening for a Pediatric Physical Therapist

At Best Life Physical Therapy, you can expect to primarily treat clients from age 0 to 12 years with a variety of conditions. We have clinic locations in Greeley and Windsor. Most patients for this position are at the Greeley location, with potential to build a caseload at either location. Both clinics have an interdisciplinary team and you will have the opportunity to work alongside speech and occupational therapists, in addition to other physical therapists.

Commonly treated diagnoses/conditions include: developmental delay, low muscle tone, autism spectrum disorder, genetic disorders, cerebral palsy, abnormal gait, sports injuries, orthopedic conditions, and more.
