New Job Posting for Integrated Physical Therapy of Colorado

Integrated Physical Therapy (IPT) of Colorado, a 100% Physical Therapist owned practice in Littleton, CO, is seeking an enthusiastic Physical Therapist for a full time position at our growing practice, to replace a retiring PT. A variety of flexible weekday scheduling is available. This practice historically has very low turnover and has a stable/experienced front desk employee and billing services.

This is an excellent opportunity to work with highly trained and respected Physical Therapists who specialize in Pelvic Health, TMJ dysfunction, and general orthopedic conditions. Candidates must have a desire to grow in a Pelvic Health specialty. IPT has a long history of strong mentorship with emphasis on continuing education. Benefits include excellent reimbursement for continuing education, paid vacation and sick leave, contribution towards health insurance premiums, and a combination of pay per visit and/or hourly pay.

Requirements:

1. Doctor of Physical Therapy Degree desired
2. Colorado licensure
3. Entry level Pelvic Health course or clinical experience in Pelvic Health is desired but not expected. We are open to mentoring a new graduate
4. Desire in taking a Trigger Point Dry Needling course

Salary: Up to $40/hour.
