- Develop and implement personalized care plans tailored to each patient's needs.
- Provide hands-on therapy techniques, including exercises and modalities to promote healing.
- Collaborate with other healthcare professionals to coordinate patient care.
- Monitor patient progress and adjust treatment plans as necessary.
- Educate patients and their families on rehabilitation exercises and strategies for recovery.
- Participate in discharge planning to ensure continuity of care post-treatment.
- Maintain accurate documentation of patient evaluations, treatments, and progress notes.

Qualifications

- Degree in Physical Therapy from an accredited institution.
- Valid state licensure or eligibility for licensure as a Physical Therapist.
- Strong knowledge of physiology and rehabilitation principles.
- Experience in outpatient orthopedics.
- Excellent communication skills for effective interaction with patients and healthcare teams.

OHANA SPORTS MEDICINE

- Ability to develop comprehensive care plans based on individual patient assessments.
- Commitment to providing high-quality patient care with empathy and professionalism.
