Tired of corporate therapy? So were we. That's why we built ASPIRE. ASPIRE Therapy & Wellness is a therapist-owned private practice specializing in geriatric and neurological rehabilitation within senior living communities. We believe therapists do their best work when they're trusted, supported, and free from the red tape of large rehab corporations.

WHY THERAPISTS CHOOSE ASPIRE OVER CORPORATE REHAB

- **True Clinical Autonomy:** You decide how to treat and design your care pathways, not a regional manager.
- **No Productivity Micromanagement:** We prioritize quality relationships over high-pressure revenue metrics.
- **Optimal Balance:** No weekends, no holidays — ever. Truly flexible hours to match your lifestyle.
- **Therapist-Owned Leadership:** Guided by experienced clinicians who understand your day-to-day.
- **Interdisciplinary Collaboration:** Work closely with supportive on-site OTs, STs, and community staff.
- **Tight-Knit Culture:** A small, friendly team environment where your voice genuinely matters.

WHAT YOU'LL DO

- Evaluate and treat older adults across Independent Living (ILF), Assisted Living (ALF), and Skilled Nursing (SNF) settings.
- Develop customized treatment plans for geriatric and neurological conditions including Parkinson's, fall prevention, post-surgical rehab, and functional mobility.
- Collaborate daily with OTs, SLPs, and senior living staff.
- Contribute clinical creativity and innovative ideas.

QUALIFICATIONS

- **Licensure:** Licensed Physical Therapist (PT) in Colorado.
- **Experience:** New graduates welcome! Structured mentorship is available from experienced clinicians.
- **Passion:** Dedication to working with older adults and making a tangible impact.
- **Skills:** Collaborative mindset and strong communication skills.
- *Geriatric, SNF, or senior living experience is a plus but not required.*

COMPENSATION & BENEFITS

- **Premium Pay:** \$51.66 – \$73.00 / treatment hour
- Comprehensive Medical, Dental, and Vision insurance
- 401(k) retirement plan with **3.5% company match**
- Generous Paid Time Off (PTO) + Holiday Pay
- Health Savings Account (HSA) availability
- Continuing education support + full CEU reimbursement
- Electronic device program (company laptop/tablet)
- Flexible contract structures (W-2 or 1099)

ABOUT ASPIRE THERAPY & WELLNESS

ASPIRE is a locally owned, therapist-operated private practice serving older adults across Colorado's Front Range. We partner with senior living communities to provide physical therapy, occupational therapy, speech therapy, massage therapy, and personal training. Our outpatient clinic is located in Louisville, CO, where we also offer specialized pelvic health therapy. We prioritize quality over quantity, relationships over revenue, and therapists over corporate shareholders.
