Therapeutic Associates Physical Therapy is Hiring Physical Therapists!

Therapeutic Associates Physical Therapy is seeking Physical Therapists to join our team at one of our 90+ clinic locations in WA, OR, ID and CA. We currently have a number of openings at our clinics and would love to speak with you if you meet the qualifications below.

We specialize in orthopedics and manual therapy and we pride ourselves on our one-on-one patient care and strong relationships with referral sources. We offer leadership training, the opportunity to become a clinic director & company owner, and unparalleled one-on-one clinical mentorship.

Duties & Responsibilities:

Physical Therapist is expected to conduct initial evaluations and accurately assess patient conditions to develop appropriate goals and treatment plans.

- Must be able to work an established schedule with flexibility according to daily clinic needs and complete accurate documentation through EMR software (we are currently using Athena).
- Therapist will be expected to meet the demands of the clinic's schedule, work effectively with support staff as appropriate, and perform other duties as required.
- Ideal candidates will embrace their role as mentor and teammate, supporting other staff as needed and fostering the advancement of Therapeutic Associates as a learning organization.
- Must demonstrate eagerness to advance clinical skills and develop personal leadership excellence.
- Must contribute to the growth and revenue generation of the clinic through marketing and other relationship building efforts (referral regeneration, community events, etc.).

Minimum Qualifications:

- Degree in Physical Therapy from an institution accredited by Commission on Accreditation in Physical Therapy Education
- Current State Physical Therapist License (or license applicant status)
- Current CPR certification

What We Offer:

- Competitive base salary (DOE)
- Medical/Dental/Vision Insurance
- Continued Education Stipend
- 15 days PTO per year
• 401(k) and profit-sharing program
• 48 hours of 1:1 Professional Mentorship
• PT Cohort
• MedBridge Subscription
• Residency & Fellowship program
• Potential for student loan reimbursement and other bonuses
