Nevada Physical Therapy is Reno’s premiere sports medicine facility focusing on treating active individuals from total knee replacements to ACL reconstruction, weekend warriors to professional athletes and everything in between. Our clinics are built around resistance training models with thousands of pounds of squat racks, kettlebells, weight sleds and more - paired with objective strength testing and research development. Our culture is focused on collaboration, discussion, and humility to better develop our clinicians and better serve our community.

Full Time Position

**Salary:** Starting at $75,000-$80,000 per year for new grads, negotiable based on experience and skillset match for experienced clinicians. State of Nevada has no state income tax.

**Benefits** including health insurance, vision, dental and PTO (10 days per year+ 7 paid holidays), paid license fees, and $1000 per year CEU stipend

**Hours:** Tues-Friday, 7am-6pm with lunch from 12:00-1:30pm, 38.5 hrs per week of patient care with 1.5 hours paid documentation time.

**Description:**

- **Primary duty** includes patient treatment as expected, expectation is **1.5-1.8** patients per hour or less than 2 treatments per hour average; standard model is 60 min 1:1 evaluation, and 30 minutes for 1:1 follow ups, second half of session semi-supervised by support staff.

- ***New Grads***: Structured mentorship with decreased caseload (50%) for first 90 days with expectation of full caseload by one year from hire. Mentorship will cover a curriculum including patient-centered care, motivational interviewing, rehab principles, strength and conditioning programming education, research, etc.
• **New grads** eligible for 10% salary raise after one calendar year pending review; **clinicians with >2 years experience** eligible for productivity bonus (typical salary approx 95-100K if averaging 1.8 visits per hour for full caseload)

• Professional and Clinical development opportunities based on individual goals.
