

Physical Therapist - job post

Premier Physical Therapy

5008 West 92nd Avenue, Westminster, CO 80031

\$72,000 - \$85,000 a year - Part-time, Full-time, PRN

Full job description

Job Summary:

Premier Physical Therapy is an outpatient physical therapy clinic in Westminster, CO. We are an independent therapist owned clinic and looking for an outgoing and friendly full time Physical Therapist.

Premier Physical Therapy was named 2022 Small Business of the Year by the Westminster Chamber of Commerce!

We specialize in one one one care with 40 minute appointments without double booking in a fun and professional environment. Premier Physical Therapy treats a wide variety of patient diagnoses including sports medicine and orthopedic injuries, neurological, vestibular and geriatric conditions. Work days are Monday-Friday with no weekend shifts. Opportunities for flexible scheduling including 4 day work weeks available.

Job duties include:

- Performing new patient evaluations to establish a Treatment Diagnosis
- Establishing new patient treatment goals.
- Establishing evidence based patient treatment plans
- Providing treatment including therapeutic exercises, neuromuscular re-education, therapeutic activities, gait training, manual therapy, modalities and other treatment procedures
- Performing re-assessments, re-evaluations
- Document care in electronic health records in a timely and accurate manner
- Physical Therapy License (Preferred)
