

Integrated Clinical Experience (ICE) Planned Learning Experience (PLEX)

Eligibility for School-Based PT

Objectives	Description of Learning Experience	Resources and Time to Complete
<ol style="list-style-type: none">1. Explain the role of a PT in the school setting2. Understand how a PT becomes involved in the care of a child in the school setting3. Identify how a child's medical diagnosis impacts eligibility for school-based PT	<ol style="list-style-type: none">1. Students and CI will discuss the role of a PT in the school setting including how and why PTs become involved in the care of a child (ie. Related to the IEP)2. Students and CI will contrast the role of medical diagnosis plays in driving PT referral in a non-school PT practice vs school setting and discuss the role of "educational benefit" in the school PT plan of care3. Discussion can focus on one case as a way to illustrate the above discussion topics	<p>Resources: Facility specific resources, IDEA website, and content from HG&D</p> <p>Time to complete: 15-30 min</p>
