**Brief Description of the Planned Learning Experience:**

Students will explore how charge entry is utilized in the facility or setting and implications for the therapists, clinic, facility, and patients.

Objectives	Description of Actual Learning Experience	Anticipated time to complete	Recommended Preparation or Readings
1. Students will understand the implications for charge entry in the facility (i.e. billing, productivity, etc.). 2. Students will appreciate the effect of charge entry to patients and reimbursement.	1. Students will explore the billing process in the facility or clinic but following the process from charge entry to billing.  2. CI will describe the differences between charge entry and productivity measurement for therapists in the facility/clinic.  3. Students and CI will discuss the connections between charging, patient's POC, and reimbursement implications.	Discussion between students and CI = 30 minutes  Total time = 30 minutes	PT in Motion article: <i>Measuring by Value, Not Volume</i> . <a href="http://www.apta.org/PTinMotion/2015/7/Feature/MeasuringByValue/">http://www.apta.org/PTinMotion/2015/7/Feature/MeasuringByValue/</a>  PT in Motion News: <a href="http://www.apta.org/PTinMotion/NewsNow/2014/7/9/HoDProductivity/">http://www.apta.org/PTinMotion/NewsNow/2014/7/9/HoDProductivity/</a> 1/
