

## Mark McLaughlin Mañago, PT, DPT, PhD, NCS

University of Colorado Denver Physical Therapy Program  
Mail Stop C244 Education 2 South  
13121 E. 17<sup>th</sup> Avenue, Room 3108  
Aurora, CO 80045

[mark.manago@cuanschutz.edu](mailto:mark.manago@cuanschutz.edu)

### **Education:**

University of Colorado Denver Graduate School Anschutz Medical Campus Aurora, CO	PhD, Clinical Science	2018
University of Colorado Denver Health Sciences Center Aurora, CO	Doctor of Physical Therapy	2008
University of Colorado Denver Health Sciences Center Denver, CO	MS, Physical Therapy	2005
Carleton College Northfield, MN	BA, Spanish Literature	1997

### **Licensure Information/Registration Number:**

Colorado Physical Therapist Licensure #8935 2005-present

### **Certifications:**

Neurologic Clinical Specialist, American Board of Physical Therapy Specialties	2009, 2019
Advanced Credentialed Clinical Instructor, American Physical Therapy Association	2011
Credentialed Clinical Instructor, American Physical Therapy Association	2007
Credentialed Medical Interpreter (Spanish), University of Colorado Hospital	2005

### **Employment and Positions Held:**

Assistant Professor July 2018 - Present  
Physical Therapy Program, University of Colorado Denver,  
Anschutz Medical Campus, Aurora, CO

Rehabilitation Researcher  
VA Eastern Colorado Health Care System, Denver, CO  
July 2020 - Present

Senior Instructor  
Physical Therapy Program, University of Colorado Denver,  
Anschutz Medical Campus, Aurora, CO  
Aug 2016 – June 2018

Physical Therapist Specialist  
University of Colorado Hospital, AF Williams Outpatient Clinic,  
Denver, CO  
Feb 2011 – Aug 2016

Adjunct Clinical Instructor  
Physical Therapy Program, University of Colorado Denver,  
Anschutz Medical Campus, Aurora, CO  
2009 - August 2013

Physical Therapist  
University of Colorado Hospital, Anschutz Outpatient Pavilion,  
Anschutz Medical Campus, Aurora, CO  
2005 – January 2011

### **Scholarly Agenda:**

My current scholarly agenda is to advance knowledge of resistance training for people with MS across the spectrum of disability by 1) optimizing delivery, 2) understanding mechanisms, 3) determining impact, and 4) defining its relative role alongside other interventions.

My long-term career goal is to become a leader in rehabilitation science with expertise in developing, optimizing, and implementing interventions that improve participation, quality of life (QOL), and physical health outcomes in people with MS and other populations with disability.

### **Research Support:**

#### **Current:**

NIH K12 HD055931 Mueller (PI) 09/01/2020-08/31/22

Role: Scholar, Project PI

*Proximal resistance training to improve walking capacity and physical activity in people with multiple sclerosis.*

The objectives of this study are to determine feasibility and limited efficacy of a resistance training intervention targeting proximal muscles on walking function, movement patterns, and activity behaviors in people with MS. (\$257,000)

Consortium of Multiple Sclerosis Centers Pilot Award Mañago (PI) 03/1/21-02/28/22

Role: Principal Investigator

*Feasibility of low-load resistance training using blood flow restriction for people with multiple sclerosis and marked mobility restriction*

The goal of this project is to determine the feasibility of low-load resistance training using blood flow restriction in people with MS and more advanced disability. (\$40,000)

NIH/NINDS 1U01NS113851 Corcos (PI) 09/25/19-07/31/24

Role: Outcomes Assessor

*Study in Parkinson disease of exercise Phase III clinical trial: SPARX3*

The study goal is to establish the efficacy of high-intensity endurance exercise as first-line therapy for recently diagnosed people with Parkinson's disease (PD) (\$90,118 annual total award, site)

#### **Completed:**

Paralyzed Veterans of America Education Foundation Grant 6/1/2020– 5/31/2021

Role: PI

*10<sup>th</sup> International Symposium on Gait and Balance in Multiple Sclerosis*

This grant provided partial support for an annual 1 ½ day multidisciplinary educational meeting focused on gait and balance in multiple sclerosis. (\$15,000)

University of Colorado PM&R Pilot Award      Mañago (PI)      09/1/18-08/31/19

Role: Principal Investigator

*Instrumented Motion Analysis of Hip and Trunk Movement Compensations for People with Multiple Sclerosis*

The goal of this project is to evaluate hip and trunk biomechanical compensatory strategies during functional activities in patients with multiple sclerosis. (\$10,000)

### **Other Research Activity:**

Outcome assessor (2018-2019). A Phase 2 Randomized, Double-Blind, Placebo-Controlled Study of ACE-083 in Patients with Facioscapulohumeral Muscular Dystrophy

Outcome assessor (2018-2019). A Phase 2 Randomized, Double-Blind, Placebo-Controlled Study of ACE-083 in Patients with Charcot-Marie-Tooth Disease Types I and X

Data Collection and Site Coordinator. Baert I, Smedal T, Kalron A, et al. Responsiveness and meaningful improvement of mobility measures following MS rehabilitation. *Neurology*. October 2018;10.1212/WNL.0000000000006532.

Outcome assessor. A Phase 2, Double-Blind, Randomized, Placebo-Controlled, Multiple Dose Study of CK-2127107 in Two Ascending Cohorts of Patients with Spinal Muscular Atrophy (SMA). 2017.

Treating physical therapist. Stevens-Lapsley JE, Balter JE, Wolfe P, Eckhoff DG, Kohrt WM. Early Neuromuscular Electrical Stimulation to Improve Quadriceps Muscle Strength After Total Knee Arthroplasty: A Randomized Controlled Trial. *Phys Ther*. 2011;92: Nov 17.

### **Continuing Education Workshops Organized:**

Site Coordinator. Expanding Neurologic Expertise: Advanced Practice in Vestibular Physical Therapy. Neurology Section, American Physical Therapy Association. University of Colorado Denver Health Sciences Center. Aurora, CO; September 2011.

Submission Reviewer & Moderator. Annual Rehabilitation Education Forum, University of Colorado Hospital. Aurora, CO; September 2007-Present.

### **Membership in Scientific/Professional Organizations:**

American Physical Therapy Association <i>Colorado Chapter, Neurology Section, Research Section, Education Section</i>	2003-present
Health Volunteers Overseas Allied Healthcare Providers Section	2010-2016
Consortium of Multiple Sclerosis Centers Healthcare Providers Section	2017-present

## **Consultative and Advisory Positions Held:**

### Member

Benchmarking Research Advances Value in Education (BRAVE) Group  
2019-Present

### Organizing committee member

International Symposium on Gait and Balance in Multiple Sclerosis [Annual Meeting].  
2019- Present.

### Grant/ Scientific Reviewer:

MS Research Australia (2020)  
Panel Member, Congressionally Directed Medical Research Programs (CDMRP),  
Multiple Sclerosis Research Program (MSRP) (2020)

### Advisory Board Member (2018-present).

*Comparative Effectiveness of an Exercise Intervention Delivered via Telerehabilitation  
and Conventional Mode of Delivery, PCORI.*

### Journal Reviewer:

Physical Therapy Journal  
Multiple Sclerosis and Related Disorders  
Gait & Posture  
Restorative Neurology and Neuroscience  
Annals of Translational Medicine  
Journal of Clinical Medicine  
Medicine and Science in Sport  
Journal of Neurologic Physical Therapy  
Physiotherapy Theory and Practice  
Experimental Gerontology  
PLOS One  
The Journal of Head Trauma Rehabilitation

## **Student Mentoring**

### Dissertation Committee Member

Chelsey Anderson, Rehabilitation Sciences, University of Colorado Anschutz Medical  
Campus (2019-present)

Arianna Odom, Department of Health & Exercise Science, Colorado State University (2019-  
2020).

### Physical Therapy Residency Program

Nicole Schremp, Pediatric Residency Program, University of Colorado Anschutz Medical  
Campus (2020-2021)

## **Services to the University/College/School on Committees/Councils/Commissions:**

Member, Recruitment and Admissions Committee, University of Colorado Denver Physical  
Therapy Program. 2018-Present

Member, Assessment Committee, University of Colorado Denver Physical Therapy Program. 2019-Present

Chair, Hidden Curriculum Task Force. University of Colorado Denver Physical Therapy Program. 2018-Present.

Chair, Student Debt Task Force. University of Colorado Denver Physical Therapy Program. 2018-2019.

Facilitator, Hidden Curriculum. University of Colorado School of Medicine. 2018-2019

Facilitator, Clinical Reasoning Through Art. University of Colorado School of Medicine. 2018

Member, Writing Task Force. University of Colorado Denver Physical Therapy Program. Fall 2016 – 2017.

Chair, University of Colorado Hospital Education Committee. Oversaw coordination of an interdisciplinary, peer-reviewed, bi-annual education forum. 2012, 2014.

Member, University of Colorado Hospital Education Committee. 2007-Present.

### **Honors and Awards:**

Best Clinical Research Poster, Degenerative Disease Special Interest Group, Neurology Section, Academy of Neurologic Physical Therapy Conference [Virtual], 2021.

Top Platform, Degenerative Disease Special Interest Group, Neurology Section, American Physical Therapy Association Combined Sections Meeting, Denver, CO, 2020.

Top abstract by a trainee, Eighth International Symposium on Gait and Balance in Multiple Sclerosis: Sensory Contributions to Gait and Balance. Oregon Health & Science University, Portland, OR. 2018.

President's Fund for the Humanities Award, Office of Academic Affairs, University of Colorado.

Herndon Award for Outstanding Article in the *International Journal of MS Care*. Recognizes the best article published in the journal, 2017.

Top abstract by a trainee, Sixth International Symposium on Gait and Balance in Multiple Sclerosis: Sensory Contributions to Gait and Balance. Oregon Health & Science University, Portland, OR. Sept 9-10, 2016.

Chancellor Diversity Scholarship, School of Medicine, University of Colorado Denver Health Sciences Center, 2004.

### **Community Service:**

Volunteer, 9News Health Fair. Provided free posture and balance screenings at local community health fair; oversaw physical therapy students performing same screenings. Denver, CO. 2016- present.

Language Interpreter and Program Guide, Clinical Education Experience in Nicaragua. Physical Therapy Program, University of Colorado Denver Health Sciences Center. Health Volunteers Overseas, Nicaragua, January 2010, 2013, 2016

**Continuing Education Attended:**

APTA Combined Sections Meeting. Denver, CO. February, 2020.

9<sup>th</sup> International Symposium on Gait and Balance in Multiple Sclerosis. Oregon Health Science Center. Denver, CO. 2019

APTA NEXT. Chicago, IL. June 2019.

World Congress of Physical Therapy. Geneva, Switzerland. May 2019.

8<sup>th</sup> International Symposium on Gait and Balance in Multiple Sclerosis. Oregon Health Science Center. Portland, OR. 2018

APTA Combined Sections Meeting. San Antonio, TX. February 2017.

6<sup>th</sup> International Symposium on Gait and Balance in Multiple Sclerosis. Oregon Health Science Center. Portland, OR. September 2016

APTA Combined Sections Meeting. Anaheim, CA. February 2016.

3<sup>rd</sup> International Symposium on Gait and Balance in Multiple Sclerosis. Saint Louis University. St. Louis, MO. October 2013.

2<sup>nd</sup> International Symposium on Gait and Balance in Multiple Sclerosis: Interventions for Gait and Balance in MS. Sponsored by MS Center of Oregon, Oregon Health Science Center Department of Neurology, MS Center of Excellence-West, Portland VA Medical Center and the Oregon Health Science Center Brain Institute. Portland, OR. October 2012.
