

Daniel J. Malone PT, PhD, CCS  
 Mailstop C244, 13121 East 17<sup>th</sup> Avenue, Aurora, CO 80045  
 303-724-9321  
 Doctor of Physical Therapy Program, University of Colorado, Anschutz Medical Campus

Education:

Temple University, Philadelphia, PA	PhD in Physiology	2001 - 2008
Temple University, Philadelphia, PA	Master in Physical Therapy	1989 - 1992
University of Pittsburgh, Pittsburgh, PA	BS in Exercise Science	1984 - 1988

Licensure Information:

Colorado #PTL.0011421

Certifications:

Cardiovascular and Pulmonary Clinical Specialist, American Board of Physical Therapy Specialists, 2018, 2008, 1998

Employment and Positions Held:

2023	Program Director, Hybrid Physical Therapy Program, University of Colorado Colorado Springs, CO
2011 - Present	Associate Professor, Physical Therapy Program, University of Colorado Denver, Anschutz Medical Campus, Aurora, CO
2022	Appointed Associate Director of Physical Therapy Program, University of Colorado Denver.
2015 - 2020	Per Diem Physical Therapists, University of Colorado Hospital, Anschutz Medical Campus, Aurora, CO
1996 - Present	Adjunct Faculty Member, Arcadia University, Department Physical Therapy, Glenside, PA
2008 - 2012	Adjunct Faculty Member, Drexel University, Department Physical Therapy and Rehabilitation Sciences, Philadelphia, PA
2008 - 2011	Cardiovascular & Pulmonary Team Leader, Division of Physical & Occupational Therapy, Good Shepherd Penn Partners Rehabilitation at the Hospital of the University of Pennsylvania
2008 - 2011	Adjunct Faculty Coordinator/ Instructor, Cardiopulmonary Physical Therapy I & II, Drexel University, Department of Rehabilitation Sciences, DPT Program

- 1996 - 2011 Adjunct Faculty Lecturer/ Laboratory instructor, Cardiovascular & Pulmonary Units; Diagnostic Imaging, Arcadia University/ Beaver College, DPT and Transitional DPT Programs
- 1999 - 2008 Cardiovascular and Pulmonary Team Leader, Department Physical Medicine and Rehabilitation, University of Pennsylvania Health System, Hospital of the University of Pennsylvania and Presbyterian Medical Center
- 2001 - 2002 Adjunct Faculty, Coordinator/ Instructor, Cardiopulmonary I, MCP Hahnemann, Department of Rehabilitation Sciences, DPT Program
- 1999 - 2001 Adjunct Faculty, Coordinator/ Instructor, Cardiopulmonary Pathophysiology, Neumann College, Division of Nursing and Health Sciences, Master of Science in Physical Therapy Program
- 1999 - 2001 Adjunct Faculty Member, Neumann College, Aston, PA
- 1997 - 2001 Adjunct Faculty Member, Allegheny University of the Health Sciences, Hahnemann University, Philadelphia, PA
- 1996 - 1999 Senior III Physical Therapist/ Lead Therapist, Department of Physical and Occupational Therapy, Presbyterian Medical Center, University Of Pennsylvania Health System
- 1998 Adjunct Faculty, Lecturer, Exercise Physiology; Exercise Responses in Heart Failure, Neumann College, Division of Nursing and Health Sciences Master of Science in Physical Therapy Program
- 1996 - 1998 Guest Lecturer, Acute Care Elective, Physical Therapy Intervention for the Heart and Lung Transplant Populations. Allegheny University of the Health Sciences, Master of Science in Physical Therapy Program
- 1996 Instructor, Cardiopulmonary and Vascular Unit, University of Medicine and Dentistry of New Jersey, School of Health-Related Professions Developmental and Rehabilitative Sciences, Master of Physical Therapy Program
- 1995 - 1998 Adjunct Faculty Member, University of Medicine and Dentistry of New Jersey, School of Health Related Professions, Stratford, NJ
- 1995 - 1996 Senior II Physical Therapist Presbyterian Medical Center, University Of Pennsylvania Health System
- 1995 - 1996 Adjunct Faculty, Coordinator/ Instructor Applied Physiology, Cardiopulmonary Module, University of Medicine and Dentistry of New Jersey, School of Health-Related Professions, Developmental and Rehabilitative Sciences, Master of Physical Therapy Program
- 1994 - 1995 Senior Physical Therapist, Lung Transplant Program Presbyterian Medical Center. University Of Pennsylvania Health System
- 1992 - 1994 Staff Physical Therapist, Acute Care Service, University of Pennsylvania Health System, University of Pennsylvania Medical Center

### Scholarly Agenda

The overall goal of my scholarship is to advance education, clinical practice and research related to the physical therapist's management of patients with complex medical conditions ranging from the intensive care unit to post-acute setting to home.

Funded/In Review Grant Activity:

Stevens-Lapsley JE (PI). Improving physical rehabilitation for rural Veterans with complex care needs. VA Office of Rural Health, Veterans Rural Health Resource Center. 10/1/20-9/30/21 (\$168,153). The goal of this project is to increase clinician access to education and training in

evidence-based, high intensity physical rehabilitation to improve the quality of care provided to rural Veterans at risk for functional decline.

Stevens-Lapsley JE (PI). VA Geriatric Scholars Rehabilitation Training Program. 10/1/20-9/30/21 (\$106,924). The goal of this program is to train rehabilitation clinicians on how to implement high intensity rehabilitation interventions for Veterans.

Completed Grant Activity:

Stevens-Lapsley JE (PI). Shifting Rehabilitation Paradigms in Skilled Nursing Facilities. VA RR&D I21 RX00219; 10/1/16-9/30/18: The major goal of this project is to evaluate whether an interdisciplinary rehabilitation program that integrates principles of physiologic tissue overload in skill nursing facilities is more effective than the standard of care. Equated to 15% FTE

Moss M (PI), Schenkman M, Quan D, Nordon-Craft A. The diagnosis and treatment of critical illness polyneuromyopathy in patients with acute respiratory failure. Submitted to National Institute Nursing Research. R01 NR011051 Funded (\$2.279 million direct over five years). Project start 6/1/09; Project end 8/31/14. Role: co-Investigator- Ensure fidelity of the physical therapist intervention, oversight of physical therapy intervention, outcomes testing and database management. Equated to 25% FTE

Continuing Education Attended:

- 2024 Combined Sections Meeting, American Physical Therapy Association, Boston, MA.  
Education Sessions Attended,
- 2023 Education & Learning Conference (ELC), Philadelphia, PA.  
Education Sessions Attended,
- GRJ Forum Keynote and Ignites – Propelling PT education forward through competency-based education: why, what, and how.
  - Hybrid Education Is Not Accelerated Education: Opportunities, Challenges, and Outcomes in Full-Length Hybrid DPT Education
  - Benchmarking the Hybrid DPT Student Experience: Results of a Multi-Institutional Survey
  - High-impact practices in hybrid DPT education: Cultivating reflective practices and professional growth using the ePortfolio.
- 2023 Combined Sections Meeting, American Physical Therapy Association, San Diego, CA.  
Education Sessions Attended,
- Should Simulation Hours Count Toward Acute Care Clinical Education? An Oxford Debate
  - Cardiovascular Pulmonary Section Platform Session 1 & 2
  - Linda Crane Lecture - Advocacy and Service: Opening Your Heart to Make a Vital Impact
  - Chronic Pain and Hypertension: The Relationship and Evidence-Based Management
  - Progress Toward Envisioning the Profession's Future
  - A Blueprint for Teaching and Learning Clinical Reasoning: Implementation From the Classroom to the Clinic
- 2022 CMDA's 27<sup>th</sup> Annual Conference. Coming Together to Create Success in Post-acute Long Term Care. Denver, CO.  
Education Sessions Attended,
- Coming Together for Successful Wound Care
  - Pearls for Anticoagulation Optimization in Older Adults
  - Looking Back to Look Forward in PALTC: COVID-19
  - Best Pearls from the Day
- 2022 Combined Sections Meeting, American Physical Therapy Association, San Antonio, TX.  
Education Sessions Attended,
- Cardiovascular & Pulmonary Platform Session 1 and Session 2
  - Cardiovascular and Pulmonary Research: A Year in Review
  - Linda Crane Lecture - Heart Stings: Stories of Love, Appreciation and Cycles

- Adapting: Curriculum Design for a New Generation of Adult Learners
  - Academy of CVP PT Membership Meeting
- 2020 Combined Sections Meeting (poster), American Physical Therapy Association, Denver, CO.  
Education Sessions Attended,
- Frail or Fail? Skeletal Muscle in Lung Transplant and Critical Illness
  - Linda Crane Memorial Lecture: Following Your Heart (and Lungs) as a Professional Development Plan
  - Cardiovascular and Pulmonary Research: A Year in Review
  - Exercise Testing by Physical Therapists: Moving Forward One Step at a Time
  - Academy of CVP PT Membership Meeting
- 2019 Combined Sections Meeting, American Physical Therapy Association, Washington DC.  
Education Sessions Attended,
- Cardiovascular & Pulmonary Platform Session 1 and Session 2
  - Functional Measures in the ICU: How to Have Your Cake and Eat It Too
  - ICU Rehabilitation: Bridging the Gap from Immobility to Early Mobility
  - Linda Crane Memorial Lecture: Health Competencies: The C.R.A.N.E.
- 2018 Combined Sections Meeting, American Physical Therapy Association, New Orleans, LA.
- Cardiovascular & Pulmonary Platform Session 1 and Session 2
  - Break Out of Your Silo: Acute Care Collaborations to Achieve Core Competencies
  - Let's Be Objective: Using Objective Measures and Vital Signs to Guide the Acute Care PT
  - PT in the ICU: Moving Beyond Early Mobilization to Encompass a Broader Scope

Current Teaching Responsibilities in the Entry-level Physical Therapy Program (in sequence, by quarter or semester):

Summer 1 (Semester 1)

DPTR 5001: Clinical Anatomy I (6 credit): Lecturer

Spring 1 (Semester 3)

DPTR 5301: Medical Conditions I (4 credits): Course Coordinator & Instructor

Fall 2 (Semester 5)

DPTR 6302: Medical Conditions II (2 credits): Course Coordinator & Instructor

Spring 2 (Semester 6)

DPTR 6303: Medical Conditions III (3 credits): Course Coordinator & Instructor

Summer 3 (Semester 7)

DPTR 7112: Acute Care Elective (1 credit): Course Coordinator & Instructor

DPTR 7651: Clinical Reasoning Capstone (4 Credit): Mentor
