

The Colorado Curriculum at the CHA/PA Program

LICENSE is a mnemonic for highlighting the vision and goals of the Colorado Curriculum.

Longitudinal

The Colorado Curriculum is a 3-year, spiral-design curriculum that progresses from foundational concepts to more complex topics and skills in a developmentally appropriate manner.

Integrated

The Colorado Curriculum integrates basic science, clinical medicine, and professional practice in didactic and active learning sessions for each clinical presentation.

Clinical Presentations

The Colorado Curriculum is anchored in over 70 clinical presentations arranged in 7 body system blocks, and drives learning through a case-based approach.

Entry Ready

The Colorado Curriculum prepares students to meet all professional competencies to practice in primary care medicine, including interprofessional team practice, meeting the needs of the profession and the communities it serves.

Needs-Based

The Colorado Curriculum uses continuous quality improvement measures and assessments to monitor and respond to all stakeholder needs, including learners, faculty, patients, preceptors, and the community.

Student/ Learner Centered

The Colorado Curriculum places learners/students at its center, encouraging reflective practice and wellness as they grow to be lifelong learners.

Experiential

The Colorado Curriculum grounds all learning in the context of the clinical encounter, using 4 threads to integrate and apply content to specific cases, patient populations and clinical settings.
