

2022-23 Fees and Expenses – CHA/PA Program *(subject to change)*

- **Matriculation:** \$140.00 – one-time; 1st year
- **Academic Support Services Fee:** \$64.00 – each semester
- **Activity Fee:** \$20.00 - per year
- **Anschutz RTD College Pass Program:** \$53.35/semester
- **Study Abroad Fee:** \$400 - This fee funds the Office of Global Education's operational expenses and costs for administration of study abroad advising, risk management, registration, and records. This fee is charged only for the first term when there are consecutive terms abroad.
- **Health Insurance Plan A:** \$5190 – All degree-seeking students enrolled in 1 or more credit hours at Anschutz Medical Campus are required to have health insurance. Students carrying their own insurance may request this fee be waived if their plan is considered comparable. This fee pays for a comprehensive insurance plan covering student injury and illness, known as Plan A (High Option). For more information, contact the Office of Student Health.
- **Health Insurance Plan B:** \$3612.00 - All degree-seeking students enrolled in 1 or more credit hours at Anschutz Medical Campus are required to have health insurance. Students carrying their own insurance may request this fee be waived if their plan is considered comparable. This fee pays for a high deductible insurance plan covering student injury and illness, known as Plan B (Low Option). For more information, contact the Office of Student Health.

Other Expenses

- Books and equipment estimate (subject to change) ○ 1st year: \$3,100.00 ○ 2nd year: \$1,200.00
- Academic travel: ○ 1st year: \$100.00 ○ 2nd year: \$400.00 ○ 3rd year: \$2,420.00
- Graduation expenses for composite photo sitting and regalia if desired by student. Approx. \$75-\$500 depending on choices made by student in the 3rd year, last semester.
- Students are responsible for travel, housing, and living expenses related to clinical education and are required to complete at least one 3rd year clinical rotation in a rural area. Clinical education costs are variable depending on number, location and length of clinical rotations.
- Tracks commonly include an additional 1 credit cost.

Admissions Expenses

- Students offered admission to the program must submit at \$1,000.00 confirmation deposit to hold their place. This deposit will be applied to the first semester of the program.
- Students admitted into the program must submit a fee for approximately \$100 for a criminal background check.
- Students admitted to the program are responsible for the costs of immunization requirements and tuberculosis screening approx. \$55.00 in the first semester ○ Additional clinical expenses may include fingerprinting, additional health screenings, immunizations, additional urine drug testing, repeated criminal background checks, or any other requirements of a specific site. This is dependent on the clinical site.
