

Exciting Usability Testing Experience!

Learn more about

Stakeholder Engagement Methods

while also being a usability volunteer!

Join us during the **Colorado Pragmatic Research in Health** virtual conference to conduct usability and User Experience (UX) testing on a new tool for researchers. The Stakeholder Engagement Navigator is a new tool that serves as an educational hub and an interactive space to explore and discover engagement strategies.

Details:

- Sessions will be 45 minutes long and will be hosted via Zoom.
