

ACCORDS

ADULT AND CHILD CENTER FOR OUTCOMES
RESEARCH AND DELIVERY SCIENCE

UNIVERSITY OF COLORADO
CHILDREN'S HOSPITAL COLORADO

With support from both the University of Colorado School of Medicine and Children's Hospital Colorado, ACCORDS supports outcomes, health services, and implementation research for CU Anschutz faculty.

ACCORDS is specifically designed to support faculty in the development of new T3 & T4 health services research projects by providing free consultations on various research methods and content through our Cores and Programs, providing educational opportunities, and supporting grant proposal submissions and awards management.

We are a centralized resource for T3 & T4 health services research

Consultations

630 research consultations across 44 different campus departments/divisions

Grant Proposals

Supported 60 PIs to submit over 100 proposals

Grant Success

37% success rate for all proposal types

We offer mentorship, training, and support

Educational Offerings

1400+ attendees at 20 campus workshops & seminars and one internationally attended conference

Early Career Faculty

Supported 71 Junior faculty with career development & early career proposals and awards

Fellowships

Trained health service research leaders from primary care (APCRF) & sub-specialty areas (SCORE) to address the nation's health care delivery challenges

Research for Real World Impact

We provide strong methodological cores led by national experts

Biostatistics & Analytics Core

Patient-Centered Decisions Core

Community Engagement & Outreach Core (with CCTSI)

Dissemination & Implementation Core

Economic Analysis Core

Learning Health System Core

Mobile Health & Informatics Core

Practice-Based Research Network Core

Pragmatic Research and Trials Core (with CCTSI)

Qualitative & Mixed Methods Core

Training, Education, and Mentorship (TEaM) Core

Other Programs Under ACCORDS Umbrella:

- Clinical Research Informatics and Innovation Unit (CRIIU)
- Prevention Research Center for Family Child Health

We have national impact

Dissemination & Implementation (D&I) Science Graduate Certificate Program

ACCORDS Primary Care Research Fellowship (APCRF)

Colorado Pragmatic Research in Health Conference (COPRH Con)
