

ACCORDS

ADULT AND CHILD CENTER FOR OUTCOMES
RESEARCH AND DELIVERY SCIENCE

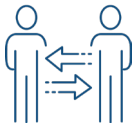

UNIVERSITY OF COLORADO
CHILDREN'S HOSPITAL COLORADO

With support from both the University of Colorado School of Medicine and Children's Hospital Colorado, ACCORDS supports outcomes, health services, and implementation research for CU Anschutz faculty.

ACCORDS is specifically designed to support faculty in the development of new T3 & T4 research projects by providing free consultations on various research methods and content through our Cores and Programs, providing educational opportunities, and supporting grant proposal submissions and awards management.

We are a centralized resource for T3 & T4 research

Consultations

600 research consultations across 59 different campus departments/divisions

Grant Proposals

Supported 200 PIs to submit over 100 proposals

Grant Success

41% success rate for all proposal types

We offer mentorship, training, and support

Educational Offerings

1200+ attendees at 20 campus workshops & seminars and one internationally attended conference

Early Career Faculty

100 Junior faculty supported with career development proposals and awards

Fellowships

Trained health service research leaders from primary care (APCRF) & sub-specialty areas (SCORE) to address the nation's health care delivery challenges

Research for Real World Impact

**We provide strong methodological cores & programs,
led by national experts**

CORES
