COMING SOON: CCTSI Community Engagement Pilot Grants

RFA – November 8, 2023

CE-Pilots: <https://cctsi.cuanschutz.edu/funding/cepilot>

What is ACCORDS?

Adult and Child Center for Outcomes Research and Delivery Science

ACCORDS is a 'one-stop shop' for pragmatic research:

- A multi-disciplinary, collaborative research environment to catalyze innovative and impactful research
- Strong methodological cores and programs, led by national experts
- Consultations & team-building for grant proposals
- Mentorship, training & support for junior faculty
- Extensive educational offerings, both locally and nationally

ACCORDS Upcoming Events

November 1, 2023 AHSB 2200/2201, Zoom	<u>Ethics, Challenges, & Messy Decisions in Shared Decision Making</u> <i>Ethical Issues in Shared Decision-Making: Principles and Applied Examples</i> Presented by: Drs. Laura Scherer, Matthew Wynia, and Dan Matlock
November 9 & 16, 2023 9:00-3:00pm MT Zoom	<u>Dissemination and Implementation (D&I) Science for Researchers Workshop</u> Lead facilitators: Tina Studts, PhD and Borsika Rabin, PharmD, PhD
November 20, 2023 AHSB 2200/2201, Zoom	<u>Statistical Methods for Pragmatic Research</u> <i>Randomization-based Inference for Cluster Randomized Trials</i> Presented by: Dustin J. Rabideau, PhD (Massachusetts General Hospital)
December 6, 2023 AHSB Conf. Center, Zoom	<u>Ethics, Challenges, & Messy Decisions in Shared Decision Making</u> <i>Incorporation of Patient Reported Outcome Measures in Shared Decision-Making in Breast Surgical Oncology</i> Presented by: Sarah Tevis, MD; Clara Lee, MD
December 18, 2023 AHSB 2200/2201, Zoom	<u>Statistical Methods for Pragmatic Research</u> Presented by: Maren Olsen, PhD (Duke)

*all times 12-1pm MT unless otherwise noted

What Is Representation? Community Voice and Identity Through Advisory Boards and Partnerships

CCTSI Community Engagement and Health Equity

ACCORDS Education Program

with Maret Felzien, Charlene Barrientos Ortiz

medschool.cuanschutz.edu/ACCORDS

CBPR Principles

1. Respects and recognizes the community as a unit of identity.
2. Builds on strengths and resources in the community
3. Facilitates collaborative, equitable involvement of all partners in all phases of research

CBPR Principles

1. Respects and recognizes the community as a unit of identity.
2. Builds on strengths and resources in the community
3. Facilitates collaborative, equitable involvement of all partners in all phases of research

Defined by the community itself

geographic location

race and ethnicity

nationality

disability

sexual orientation

gender identity

CBPR Principles

1. Respects and recognizes the community as a unit of identity.
2. Builds on strengths and resources in the community
3. Facilitates collaborative, equitable involvement of all partners in all phases of research

“representations of community that are asset- and resiliency-based, improved cultural knowledge and practices among partners, and broader cultural proficiency and respect for community differences”

“looks for solutions that are recognized and endorsed by community members and leverage the assets in the community and the partnerships that produced them”

- From the NAM: Assessing Meaningful Community Engagement: A Conceptual Model to Advance Health Equity through Transformed Systems for Health.

CBPR Principles

1. Respects and recognizes the community as a unit of identity.
2. Builds on strengths and resources in the community
3. Facilitates collaborative, equitable involvement of all partners in all phases of research

contributions

compensation

power

finances

learning

trust

Best Practices for Researchers

- Engage in self-reflection
 - Know your intentions
 - Articulate your goals for partnership
- Focus on relationships
- Think long-term: partnership and impact
- Be flexible – your path will change (for the better!)
