

ADULT EVALUATION CLINIC

This clinic is designed for adults (18+) seeking an evaluation for Autism, intellectual disability, and co-occurring mental health conditions, or updated testing to qualify for services.

Our expert clinicians provide comprehensive, neurodiversity affirming assessments and personalized recommendations to support adults in understanding themselves better as well as accessing:

- ✓ Vocational and employment resources
- ✓ Educational accommodations and supports
- ✓ Medical and therapeutic services
- ✓ Community, social, and federal resources

We are committed to helping individuals gain the insights and guidance they need to navigate adulthood with confidence. A referral from a medical professional is required, but contact our scheduling department at Children's Hospital Colorado (720-777-6630) to start this process.
