Rehabilitation Counseling Traineeship in Developmental Disabilities

2026-27

JFK Partners, Colorado's University Center of Excellence in Developmental Disabilities Education, Research and Service (UCEDD) and Leadership Education in Neurodevelopmental Disabilities (LEND) Program is offering a part-time Rehabilitation Counseling Traineeship **to begin August 1, 2026**.

The purpose of the LEND program is to improve the health and well-being of individuals with autism and other developmental disabilities by preparing an interdisciplinary cadre of professionals to take leadership roles in providing services, improving systems of care, and building inclusive communities for these individuals and their families.

Rehabilitation Counseling Trainees will:

- acquire an understanding of the roles of various disciplines that serve individuals with developmental disabilities and their families
- understand the perspectives of individuals with developmental disabilities and their families
- explore community resources
- learn about disability legislation and systems
- complete and share a scholarly project related to their career goals. See example [Scholarly Projects](#) on the JFK Partners website.

Eligibility:

- Applicants must have received graduate degree (Master's) in Rehabilitation Counseling or be in a Rehabilitation Counseling graduate program.
- Candidates should have a strong interest in autism and other developmental disabilities.
- A student/trainee/fellow receiving support from grant funds must be a citizen of the United States or a foreign national having in his/her possession a visa permitting permanent residence in the United States, or a non-citizen national.

Program Description: Rehabilitation Counseling Trainees will engage in a 12-hour/week academic program to advance their skills in the areas of leadership, cultural competency, family centered care, advocacy, public policy, clinical knowledge, research, and other topics associated with improving healthcare and inclusion for individuals with autism or other developmental disabilities.

Trainee experiences include:

- Complete at least 300 hours in the training program
- Regular mentorship
- Coursework in Leadership (daily Aug 3-7 and Aug 10-14, 2026 from 1:00-4:00 pm)
- Coursework in Key Concepts in Neurodevelopmental Disabilities (Tues 8:15-10:15 Sept-Apr)
- Coursework in Policy/Advocacy (Five Tues course sessions 10:30-12:30 Jan-Mar and IDD Awareness Day at Colorado Capitol)
- Attendance at the Annual JFK Partners Autism Conference (Oct)

- Training experience resulting in a scholarly project with a presentation and product that is completed and presented by the trainee by the end of the training experience.
- Optional coursework in Screening & Assessment, and Intervention (Tues afternoons Sept-Apr).

Support: A stipend of approximately \$6,000 for 9.5 months for this part-time (12-hours/week), pre-doctoral trainee position is available for those completing the program in 300 hours or more.

JFK Partners is applying for a competing renewal in 2026 so letters of offer cannot be provided until the award is received.

Application:

Our application requires the submission of the following documents:

1. Cover Letter/Statement of Interest - Please include answers to the following questions:
